**Subject:** Re: weekly update  
**Date:** 12/05/2011 02:27 PM

---

It would appear that section 4 has not been updated. also, the excel file appears to have not been updated.

You should not in the report if the schedule has slipped based upon your previous weeks projection. I would put that in the issues section with a reason the scheduled completion was not met and indicate that scheduled completion was modified.

Please adjust and resend.

Thanks

Gary Moore

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached  
computer program could  
contain a computer virus which could cause harm to  
EPA's computers,  
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer  
viruses introduced  
into the EPA network. EPA is deleting all computer  
program attachments  
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was  
legitimate, you  
should contact the sender and request that they  
rename the file name  
extension and resend the Email with the renamed  
attachment. After  
receiving the revised Email, containing the renamed  
attachment, you can  
rename the file extension to its correct name.

For further information, please contact the EPA Call  
Center at  
(866) 411-4EPA (4372). The TDD number is (866) 489-  
4900.
